

**Workshop on Electromagnetic Materials Measurement  
Best Practice**

**Thursday, 13 June 2013  
Ljubljana, Slovenia**

**DRAFT AGENDA**

<b>Thursday 13 June 2013</b>		
9.30	Registration	
10.00	Welcome - Borut Pinter (SIQ)	
10.10	Introduction to EMINDA & Workshop	Bob Clarke (NPL)
10:40	Measurements on ceramics and thin films	Jerzy Krupka (GUM & WUT)
11.40	Coffee Break	
12.00	Low frequency Best Practice	TBD, NPL & SIQ
12:20	Best Practice in Scanning Microwave Microscope (SMM) Measurements	Ferry Kienberger (Agilent)
13:00	Lunch with Demonstrations and Poster Session	
14:30	Best Practice in waveguide S-Parameter measurements for material characterisation	Johannes Hofmann (METAS)
15:10	CPW-based complex permittivity extraction and associated uncertainties	Uwe Arz (PTB)
15:50	Coffee Break and Poster Session	
16:00	Best practice in Specimen Preparation, Specimen Handling & Thickness Measurement	TBD, NPL
16:20	Discussions	
16.40	Close
