

EMRP Metrology for Biogas Workshop

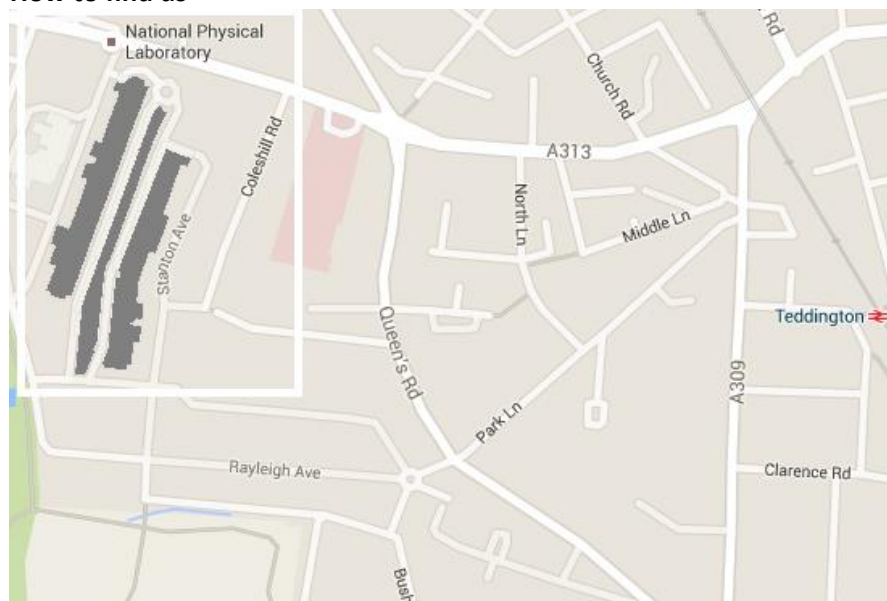

Draft Agenda

Friday 25th November 2016

National Physical Laboratory, Teddington, United Kingdom

Programme	Presentation by
09.00 Registration and coffee	
09.20 Introduction to the workshop and EMRP Metrology for Biogas	Adriaan van der Veen, VSL
10.00 European biogas quality – CEN TC 408	Ony Rabetsimamanga, ENGIE
10.30 UK perspective on biogas	Dave Lander, Dave Lander Consulting
11.00 Coffee Break	
11.30 Measurement of total silicon and siloxanes in biogas	Katarina Hafner, IMBiH
12.00 Progress with measuring inorganic impurities in biogas	Stefan Persijn, VSL
12.30 Measurement of humidity in biogas	Paul Carroll, NPL
13.00 Lunch	
14:00 Field calorimetry as a reliable measurement technique for biogas	Stefan Sarge, PTB
14:30 Good practice for sampling biogas	Lars Rosell, SP
15:00 Q&A	
15:30 Coffee Break	
15.45 Lab tour	
16:30 End of Workshop	

How to find us

NPL
Hampton Road,
Teddington,
Middlesex,
United Kingdom
TW11 0LW
